¹ No online tracking available for Swiss Post Priority outside Europe

² For DHL the dimensional weight (length x width x depth / 5000) is applied

³ Delivery time to urban city centres - longer delivery times for rural areas apply

⁴ DAP: delivered at place (not including customs clearance, duties or VAT);
DDP: delivered duty paid (including customs clearance, duties, VAT charged automatically in Intrastat)
Requirements for EU customs clearance: European VAT number + EORI number

For certain countries we do not deliver by Post (air mail) due to irregular service. These countries currently include:

Italy, Spain, Portugal, Eastern Europe, all countries in Africa, all countries in Central and South America, India, Australia, New Zealand
