

Privacy Policy

Effective date: 12 July 2023

Seitz Phototechnik AG ("us", "we", or "our") operates the **Roundshot Livecam frontend application (html5 + html4) + Roundshot Livecam as well as Roundshot Livecam Global mobile applications** (the "Service").

This document informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy.

Definitions

Personal Data

Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

Usage Data

Usage Data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

Cookies

Cookies are small pieces of data stored on a User's device.

Data Controller

Data Controller means a person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal data are, or are to be, processed.

For the purpose of this Privacy Policy, we are a Data Controller of your data.

Data Processor (or Service Providers)

Data Processor (or Service Provider) means any person (other than an employee of the Data Controller) who processes the data on behalf of the Data Controller.

We may use the services of various Service Providers in order to process your data more effectively.

Data Subject

Data Subject is any living individual who is the subject of Personal Data.

User

The User is the individual using our Service. The User corresponds to the Data Subject, who is the subject of Personal Data.

Information Collection And Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

- Email address
- First name and last name
- Cookies and Usage Data

We use email address, first name and last name for sending out ecards on our Livecam application. Users enter this data on a web form voluntarily to use the ecard functionality. This data is not stored in any of our servers.

We use email address, first name and last name for our privacy tool whereby an individual can request blurring of areas of a selected image or of several images where the individual can be clearly identified. After completion of the blurring request, an individual can request removal of the email address, first name and last name from our systems.

Usage Data

We may also collect information that your browser sends whenever you visit our Service or when you access the Service by or through a computer or mobile device ("Usage Data").

This Usage Data may include information such as your computer's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When you access the Service by or through a mobile device, this Usage Data may include information such as the type of mobile device you use, your mobile device unique ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers and other diagnostic data.

Tracking Cookies Data

We use cookies and similar tracking technologies to track the activity on our Service and hold certain information.

Cookies are files with small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Tracking technologies also used are beacons, tags, and scripts to collect and track information and to improve and analyze our Service.

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Examples of Cookies we use:

- **Session Cookies.** We use Session Cookies to operate our Service.
- **Preference Cookies.** We use Preference Cookies to remember your preferences and various settings.
- **Security Cookies.** We use Security Cookies for security purposes.

Use of Data

Seitz Phototechnik AG uses the collected data for various purposes:

- To provide and maintain our Service
- To notify you about changes to our Service
- To allow you to participate in interactive features of our Service when you choose to do so
- To gather analysis or valuable information so that we can improve our Service
- To monitor the usage of our Service
- To detect, prevent and address technical issues

Retention of Data

Seitz Phototechnik AG will retain your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

Seitz Phototechnik AG will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obligated to retain this data for longer time periods.

Transfer Of Data

Your information, including Personal Data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction.

If you are located outside France and choose to provide information to us, please note that we transfer the data, including Personal Data, to France and process it there.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

Seitz Phototechnik AG will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure Of Data

Business Transaction

If Seitz Phototechnik AG is involved in a merger, acquisition or asset sale, your Personal Data may be transferred. We will provide notice before your Personal Data is transferred and becomes subject to a different Privacy Policy.

Disclosure for Law Enforcement

Under certain circumstances, Seitz Phototechnik AG may be required to disclose your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Legal Requirements

Seitz Phototechnik AG may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of Seitz Phototechnik AG
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability

Security Of Data

The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

"Do Not Track" Signals

We do not support Do Not Track ("DNT"). Do Not Track is a preference you can set in your web browser to inform websites that you do not want to be tracked.

You can enable or disable Do Not Track by visiting the Preferences or Settings page of your web browser.

Your Rights

Seitz Phototechnik AG aims to take reasonable steps to allow you to correct, amend, delete, or limit the use of your Personal Data.

Whenever made possible, you can update your Personal Data directly within your account settings section. If you are unable to change your Personal Data, please contact us to make the required changes.

If you wish to be informed what Personal Data we hold about you and if you want it to be removed from our systems, please contact us.

In certain circumstances, you have the right:

- To access and receive a copy of the Personal Data we hold about you
- To rectify any Personal Data held about you that is inaccurate
- To request the deletion of Personal Data held about you

You have the right to data portability for the information you provide to Seitz Phototechnik AG. You can request to obtain a copy of your Personal Data in a commonly used electronic format so that you can manage and move it.

Please note that we may ask you to verify your identity before responding to such requests.

Service Providers

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), to provide the Service on our behalf, to perform Service-related services or to assist us in analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Analytics

We may use third-party Service Providers to monitor and analyze the use of our Service. Tracking by these services can be prevented by deactivating the tracking cookies when visiting a roundshot website for the first time (non-essential cookies).

Google Analytics

Google Analytics is a web analytics service offered by Google that tracks and reports website traffic. Google uses the data collected to track and monitor the use of our

Service. This data is shared with other Google services. Google may use the collected data to contextualize and personalize the ads of its own advertising network. You can opt-out of having made your activity on the Service available to Google Analytics by installing the Google Analytics opt-out browser add-on. The add-on prevents the Google Analytics JavaScript (ga.js, analytics.js, and dc.js) from sharing information with Google Analytics about visits activity.

Matomo

The following data is collected and stored within the framework of Matomo: the browser type and version you are using, the operating system you are using, your country of origin, date and time of the server request, the number of visits, the length of time you have stayed on the website and yours operated external links. The IP address of the users is anonymized before it is saved.

Matomo uses cookies, which are stored on the user's computer and enable an analysis of the use of our online offer by the user. Pseudonymous user profiles can be created from the processed data. The cookies have a storage period of one week. The information generated by the cookie about your use of this website is only stored on our server and is not passed on to third parties.

For information about Matomo's privacy practices, please visit the Matomo Privacy Policy website:

Links To Other Sites

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Children's Privacy

Our Service does not address anyone under the age of 13 ("Children").

We do not knowingly collect personally identifiable information from anyone under the age of 13. If you are a parent or guardian and you are aware that your Children has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

When updating this Privacy Policy, we will update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
